

GDPR Cookie Policy

At Gas Service Ltd, we believe in being fully transparent offering details on how we collect and use any data related to you personally.

We use cookies as explained in our Privacy Policy: https://www.gas-service-ltd.co.uk/privacy_policy.pdf and by your continued visit to our website you are agreeing to the use of cookies as described in this policy.

Explaining a “cookie”: A cookie is a small file placed onto your device that enables us to identify your device and secure your access.

There are two main types of cookie: **persistent cookies & session cookies.**

A **persistent cookie** will recognise you as an existing user: e.g. can remove the need to sign in each time you visit the site.

Session cookies will only apply for as long as your current website visit or browser session.

Necessary Cookies:

These cookies are essential to allow you to move around our website, remember login or registration details and shopping cart information (where applicable).

Performance Cookies:

A system for collection of anonymous information on how our site visitors use of website (i.e. Google Analytics). This data does not store or retain any identifiable personal data.

Functional Cookies:

Again, these cookies collection anonymised information to remember; Relevant information including the Country you visit the site from, language preference, product line search preferences.

Targeting or Advertising Cookies:

These cookies are usually placed by third-party advertising networks aimed to remember sites you visit and to deliver relevant advertising targeted at your areas of interest.

Social Media Cookies:

Social Media Cookies are not within our control and allow you to share your website interaction on social media channels including Facebook, Twitter etc. Please refer to their respective privacy policies.

Web Beacons:

Web beacons collect anonymised and limited information to track campaign effectiveness.

The privacy use of a Cookie is compliant with the General Data protection Regulations (GDPR).

THE USE OF COOKIES: Categories of Use

Authenticate: To deliver the most appropriate information and personal experience.

Security: Tailored to support security features and to identify malicious activity.

Preferences, features and services: To identify language and communications preferences, aid easier form completion and customise content.

Advertising: To deliver relevant advertising and provide retargeting to visitors who saw an ad, took action, completed a purchase or a download.

Performance, Analytics and Research: To aid research and analytics to understand and improve, products, features and services.

Cookies and Advertising

Cookies, pixels and tags help to serve relevant ads to visitors by identifying your device, your usage, your browsing behaviour, log data (your IP address).

The General Data Protection Regulations (GDPR) governs the use of personal information and information collected cannot be shared with any 3rd party advertisers without your consent.

The use and Control of Cookies and third-party cookies

You can control cookies through your browser settings preferences.

To decline to receive cookies, simply change your browser settings on your computer or other device. Most browsers also provide functionality that lets you review and erase cookies.

Gas Service Ltd can provide details of the third-party cookies that may be used on our site.

To learn more about cookies, including how to see what cookies have been set and how to manage and delete them, visit wikipedia.org, www.allaboutcookies.org, or www.aboutcookies.org.
